

## Art Project Ideas for markers and paper

1. **Scribble Picture:** fill the whole page with scribbles. Then, color in each segment.

2. **Paper Sculpture:** tear out a sheet of paper and create something with it by ripping, tearing, folding, crumpling and coloring the paper. .

3. **Draw an Imaginary Animal**

4. **Draw a Mandala:** first, draw a circle. Then fill it with repeating patterns.

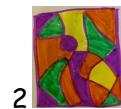

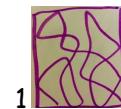

5. **Make an overlapping hand drawing:** trace the hand again and again. Fill the interiors with different patterns..

4. **Draw a Mandala:** first, draw a circle. Then fill it with repeating patterns.

5. **Make an overlapping hand drawing:** trace the hand again and again. Fill the interiors with different patterns..

6. Build a drawing: using only triangles, squares and rectangles..

7. Trace your hand and convert it into a creature!!

8. Draw what you see: for example, someone's face, the landscape, everyday objects around you...

9. Draw and write your feelings using line and color.

10. Paint with markers: dip the marker in a few drops of water to use it like watercolor paint.
